EXAMPLE OF AGREEMENT

Between

**the World Road Association (PIARC),
represented by its Secretary General**

and

..... (1)
represented by (2),

Agreement was reached on the following:

- legal entities or individuals who pay their subscription as collective or individual members of (3) receive affiliation both to the World Road Association and (1);
- the amount of the subscription is set every year by the Council of the World Road Association; the sharing of this amount is set respectively at (4) for PIARC and at (5) for (1); this sharing can be revised every year according to the global amount of subscriptions held by (1) and the population of (3), according to the clause stated in the PIARC Internal Rules (appendix 6, item IV);
- the amount of membership subscription fees, set in Euros by the Council of the World Road Association, is converted into the national currency according to the average exchange rate over the twelve months preceding the date when the subscription fees for the following year are set.

Revisions proposed by one of the two parties involved in this agreement should be forwarded to the other party at the latest at the end of March of the year preceding the year concerned. If no revision is proposed, this agreement will be renewed every year by tacit agreement.
