PRESENTATION OF THE ASSOCIATION

8 March 2017
What is PIARC
Addressing members’ expectations

• Non-political, non-profit association established in 1909
• Aim: promote international cooperation on issues related to roads and road transport
• Consultative Status on the Economical and Social Council of United Nations
• With its broad membership and geographic diversity, the vision of the World Road Association is to become:

“The world leader in the exchange of knowledge on roads and road transport policy and practices within the context of integrated, sustainable transport.”

• Recognised for the quality of our outputs
PIARC’s Four key missions

• Be a leading international forum for analysis and discussion of the full spectrum of transport issues related to roads and related transport;
• Identify, develop, and disseminate best practice and give better access to international information;
• Consider within its activities the needs of developing countries and countries in transition fully; and
• Design, produce, and promote efficient tools for decision making on matters related to roads and related transport.

• The Association mobilizes the expertise of its members
• Through operations guided by a 4-year Strategic Plan
Extensive membership base

PIARC and Low and middle income countries

• One of our key missions is:
  • *Consider within our activities the needs of developing countries and countries in transition fully*

• This is part of our “DNA”

• Several processes are implemented:
  • Include possible specific needs of low and middle income countries (LMICs) in the terms of reference of the Association (Strategic Plan)
  • Involve experts from LMICs in the activities of the Technical Committees
  • Organise International PIARC seminars in low and middle income countries (LMICs)
  • Establish regional working groups
• Budget support is available from PIARC
