RAPPORT DÉTAILLÉ SUR DES POINTS CULMINANTS**DETAILED REPORT ON HIGHLIGHTS**

Under the new president, mr. Žavrlan, NC PIARC Slovenia's main activities in the year 2011 will be focused on improvement of the recognition of our national organization. Hence we will be working especially on advertising and PR activities, we are planning to re-publish a small brochure for the presentation of our association which we will be distributing on all domestic and foreign meetings that we will attend.

Our other major concern is the transmission of knowledge, results, information from the WRA-PIARC community to our Slovene members, namely companies. We will try to achieve that by organizing different workshops (approximately 2-3/per year) where members of technical committees will be presenting their work. We have already established a "virtual library" on our webpage, modelled according to PIARC's virtual library.

Third, we will focus our efforts also on organizing a joint visit to the 24th World Road Congress in Mexico. Hopefully enough members of NC PIARC Slovenia will be interested to attend the congress that we will be able to arrange a group visit.
