The Austroads office maintains regular contact with representatives on technical committees. There was one technical committee meeting hosted in Australia or New Zealand. The travel costs of representatives on technical committees are subsidised by Austroads. The representatives provide reports on technical committee meeting which are circulated to WRA members and also made available publicly through the Austroads website.

**Travail conjoint avec d'autres organisations nationales****Joint organisation with other national institutions****Organización conjunta con otras instituciones nacionales**

Austroads works closely with other organisations in Australia and New Zealand, including the Australian National Transport Commission, ARRB Group (a road research organisation) and the Bureau of Infrastructure, Transport and Regional Economics. There is also a formal agreement with the Australian Chapter of the Road Engineering Association of Asia and Australasia (REAAA). Its secretariat is also provided by Austroads.

**Travail conjoint avec d'autres CN****Joint organisation with other NC****Organización conjunta con otros CN**

Austroads, has a collaboration agreement with AASHTO in the USA which is now their national committee for WRA. Austroads also has an agreement with the Transportation Association of Canada which has taken on the role of supporting the national committee for Canada.

--	--	--

Austroads had actively promoted participation in the Seoul Congress. We had a delegation from Australia and New Zealand of about 50 who attended the Congress.

We sponsored the Safety Prize which was won by Mr Paul De Leur, Canada and Mr David Hill, Canada. Neil Scales presented the prize at the Awards Ceremony. We also conducted a national level competition for young professionals. Catherine Roh from New Zealand Transport Agency won the competition and attended the Congress as her prize.

The prize for the "Road Maintenance and Operation" sponsored by the USA, was awarded to Mr David Hinds, Queensland Department of Transport and Main Roads. His paper was titled "Transport Network Reconstruction-Recovering from Multiple Natural Disasters".
