**RAPPORT DÉTAILLÉ SUR DES POINTS CULMINANTS**  
**DETAILED REPORT ON HIGHLIGHTS**

**Promoting the AIPRC/PIARC in Austria**

In 2006 a new folder was created in order to supply information about the Austrian National Committee of AIPCR/PIARC. The National Committee's internetsite was revised as well to provide latest information for the Austrian members of AIPCR/PIARC.

<http://www.piarc.at> (in preparation)

<http://www.fsv.at/piarc/index.html>

**Meeting with the National Research Association, March 2006**

In order to ensure the transfer of knowledge between international and national level a meeting of the Austrian National Committee, the Austrian members in Technical Committees and the National Research Association ([Forschungsgesellschaft Straße - Schiene - Verkehr](#)) was organized on 14th March 2006 in Vienna.

The Austrian members of PIARC Technical Committees reported on recent developments and results in their respective working groups.

## ASTRAD SYMPOSIUM 2005

For the 5th time the ASTRAD-Symposium on Road Management and Winter Maintenance took place on 14<sup>th</sup> and 15<sup>th</sup> September 2005 in Wels, Austria. Over 90 exhibitors welcomed more than 1.000 professionals from the road management and road maintenance sector. The latest developments in equipment and technology for road operation and winter maintenance were presented at several technical sessions and in an exhibition area of 3000 sqm indoor and 5000 sqm outdoor at free admission for registered visitors.

## XII Winter Road Congress in Torino 2006

**The Austrian National Committee organized a national stand at the XII Winter Road Congress 27 – 30 March 2006 in Torino.**

The Austrian National Committee is happy that it was able to take part in the Winter Road Congress in Torino. The Austrian delegation was composed of several experts from the national and municipal level. The stand of the Austrian National Committee was well visited, a lot of contacts with experts in the field of road management and winter maintenance could be made.

The results of the congress will be presented at a special seminar in autumn 2006 in order to ensure the knowledge transfer between national and international level. The event will be organized in cooperation with the National Research Association.
