

PIARC WORLD ROAD ASSOCIATION
ITALIAN NATIONAL COMMITTEE

AUTONOMOUS VEHICLES, SOCIAL AND ETHICAL ACCEPTANCE

PRESENT AND FUTURE SCENARIOS

A WORKSHOP

May 28th 2021

PIARC – World Road Association – Italian National Committee presents an international workshop to discuss all the implications that autonomous vehicles will have under the social and ethical aspects. Special categories of citizens, reliability, acceptance under the social and psychological point of view.

Experts coming from the UK and Singapore, together with members of the Working Group Ethical, social and safety aspects of autonomous driving and TTS Italia will propose and discuss their experiences.

Scop of the workshop is to produce a formal report to be published by PIARC Italia and shared with other organizations participating in the workshop.

The workshop will be held on a virtual platform in English.
