INVITED SPEAKER

Dr. Norlen Bin Mohamed
Director of the Vehicle Safety and
Biomechanics Research Centre
Malaysian Inst. Of Road Safety Research

Dr. Norlen Mohamed is at present the Director of the Vehicle Safety and Biomechanics Research Centre at MIROS. He is a medical doctor by training and is a Public Health Specialist with years of experience in research. He has been a researcher since 2008 and was previously the Head of the Pre and Post Injury Unit at MIROS, and was also the Head of the Crash Injury Sciences and Prevention Unit. His work has been published in local and international journals.

Dr. Nurul Kharmila Bt Abdullah,
Mbbbs (Iium), Mpath Forensic (Ukm)
Forensic Pathologist
Department Of Forensic Medicine
Hospital Kuala Lumpur

Dr. Nurul Kharmila graduated from the International Islamic University Malaysia in 2003. She joined the Forensic Medicine fraternity as a Medical Officer in 2005 and obtained her Master of Pathology (Forensic) in University Kebangsaan Malaysia in 2012. She has an avid interest on injury, crash prevention and mass disaster management and had a substantial experience in examining fatal cases of road traffic crash and mass fatality. She also had experiences in giving evidence in court regarding road traffic crash and toxicology. She has been a close collaborator to Malaysian Institute of Road Safety Research (MIROS) in conducting research pertaining to road traffic crash including injury prevention and driving under influence.

Ir. Fuad Bin Abas
Malaysian Society for Occupational
Safety and Health (MSOSH)

Ir. Fuad Abas is the Director of Vehicle Safety and Biomechanics (VSB) of MIROS from July 2011 to July 2012. He obtained his degree in Mechanical Engineering and master in Internal Combustion Engineering from universities in United Kingdom. He is former President of Malaysian Society for Occupational Safety and Health (MSOSH) and council member of many safety communities nationwide like SIRIM and IEM.

Dr. Muhammad Muhsin Bin Ahmad Zahari
Acting Head
Department of Psychological Medicine
Medical Faculty of University Malaya

Dr. Muhammad Muhsin Ahmad Zahari is currently the Acting Head of the Department of Psychological Medicine of University Malaya's Medical Faculty. He has been with the university since 2002. His areas of expertise include general psychiatry, forensic psychiatry and also community and rehabilitation psychiatry.

Mr. Jaya Prakash A/L Sunderasehran
Training Executive
Department of SPAD ICOP-SAFETY

Jaya Prakash's background is in human resource management. He conducted training for all bus, freight and taxi operators on safety prior to the licensing condition. The five vital parts which will be the main highlight during training is operation and management of road safety, driver management, vehicle management, journey and risk management and record management.

Miss Karen Goonting
Research Fellow
Malaysian Inst. Of Road Safety Research
(MIROS)

Karen Goonting's background is in psychology and law. She is a Research Fellow at the Malaysian Institute of Road Safety Research involved with road user behavioural research. She was also a legal practitioner for 16 years.

Department of Occupational Safety and Health (DOSH)

DOSH is a department under the Ministry of Human Resources. It is responsible for ensuring the safety, health and welfare of people at work as well as protecting other people from the safety and health hazards arising from the activities sectors which include transportation. As a government agency, the department is responsible for the administration and enforcement of legislations related to occupational safety and health of the country, with a vision of becoming an organisation which leads the nation in creating a safe and healthy work culture that contributes towards enhancing the quality of working life.

Social Security Organisation (SOCSO)

SOCSCO was established in 1971 under the Ministry of Human Resources (formerly known as the Ministry of Labour) to implement and administer the Social Security schemes under the Social Security Act, 1969, the Employment Injury Insurance Scheme and Invalidity Pension Scheme. Under this scheme, employees are given protection and security involving work related accident, including industrial and commuting accidents, occupational disease, disability and death.
