ANNOUNCEMENT

B&F Global Company Limited (Tanzania) in collaboration with the Dar es Salaam Institute of Technology (DIT), the Tanzania Police Force (Forensic Bureau) under the Ministry of Home Affairs and in Support by the National Institute of Transport (NIT) and the Tanzania Telecommunications Regulatory Authority (TCRA) is organising the 2nd Resilient Tanzania Summit to be held at Julius Nyerere International Convention Centre, Dar es Salaam, Tanzania from 24th to 25th August 2020 which were before to be Conducted from 24th to 25th March 2020.

The 2 days annual Resilient Tanzania Summit 2020 is one of Tanzania’s foremost gatherings of stakeholders from different sectors. The community will gather to debate this year’s theme, “Resilient Infrastructures for Sustainable Economic and Social Services Development” for making Tanzania sustainable and resilient to the economic, social and ecologic challenges that are an imminent part of our century.

Below are the Summit Sub Topics:

- Building Sustainable & Resilient Road, Rail, Airports, & Ports Infrastructures
- Resilience on Cyber, Telecommunication Infrastructures & Information Systems
- Improving Performance & Governance on Energy & Water Supply Infrastructures
- Improving Infrastructures Delivery to Meet Economic & Social Challenges
- Managing Environment, Social and Climate Change Risks

Delegates will discuss and devise novel ideas which will help to uniquely position Resilience in cities and countrysides. Despite running some support programs, globalization is unstoppable. Now we must make it more fair and just. With this summit, we will envision a new modus operandi that restores Tanzania’s faith in the idea of an egalitarian globalization, and one that delivers those promises.

The Resilient Tanzania Summit 2020 which is expected to be attended by Senior Government Officials, Private Companies, Financial Institutions and Non-Governmental Organisation Officials, Policy and Decision makers, Development Partners, Engineers, Researchers and Academicians, and other interested parties.

The goal of this High Level Summit is becoming the dooropener to a political and economical mindset change while supporting attaining of the 2025 Tanzania National Development Vision and the United Nations Sustainable Development Goals.

All the current projects are surely professional but these precious efforts need to be regarded as pieces of a holistic resilience serving the Tanzanian citizens and its economy for a better future.
