SAFE ROADS TO PROSPERITY

INVESTING FOR BETTER ROADS

Financing, Procurement and Governance
for Sustainable Road Infrastructure

18–20 November 2026

Windhoek Country Club, Windhoek, Namibia

Hosted by: Roads Authority of Namibia

In collaboration with: PIARC World Road Association

The seminar brings together road authorities, transport ministries, road fund administrators, development finance institutions, infrastructure investors, contractors, consultants, academia/researchers, and development partners to explore innovative financing approaches, procurement reforms, governance frameworks, and effective project delivery strategies for sustainable road infrastructure development.
