

The Transport Agency of the Future

PIARC - the World Road Association - invites you to join a knowledge-sharing workshop on **The Transport Agency of the Future.**

Date: Thursday 07 May 2026

Location: London

Time: 10:00 – 16:00

PIARC is a global forum for sharing road transport, knowledge and policy.

Through presentations, panel discussions and networking, this workshop presents the opportunity to discuss the following topics with industry peers from PIARC and the UK Roads sector, including:

- **The Transport Agency of the Future** (Road & Mobility of the Future)
Keynote: Christos Xenophontos, US, Chair of AASHTO's Committee on Performance Based Management.
- **Public Value Creation**
Keynote: Andreas Fromm, Austria, Managing Director of ASFINAG
- **Creating a Stronger, Future-Focused Workforce**
Keynote: Alan Colegate, Australia, Director of Strategy, Main Roads Western Australia
- **Technology & Artificial Intelligence (AI) in the Road and Mobility Sector**
Presentation: The PIARC Special Project on AI in the Road Sector.

Spaces are limited and will be allocated on a first come, first serve basis. If you would like to attend please contact Rachel.long@atkinsrealis.com

In special remembrance of Jonathan Spear, FCIHT & AtkinsRéalís Fellow
